

Music Selection and Creative Concert Programming

Selecting quality music can help you

- Address the National Standards
Perform—create—describe—connect
- Meet the needs of students in your unique situations
- Teach to your strengths and confidently tackle your weaknesses

Music Selection

- Determine the quality of the composition
- Consider everyday needs
- Balancing the curriculum

Does the piece hold up to multiple repetitions?

Does it teach skills that will be transferable?

Does it meet the needs of your students?

Concert Programming

“Informance” (Informational performance)

Thematic presentations

The Formal Concert

Concerts that teach
