Enrollment

Enrollment is open to all violin, viola, cello, and bass students, grades 6, 7, 8, and 9, who have completed at least one year of music instruction. Students should be able to read music comparable to the pieces at the end of Suzuki Book 1 as a minimum.

Camp Activities

Students will participate in approximately 7 hours of music instruction per day, including rehearsals, sectionals, and enrichment classes. Organized recreational activities and free time are also incorporated in the daily schedule. A detailed schedule will be provided at check-in.

Auditions

After check-in Wednesday, all students will play an audition. The audition is very informal and is designed to give teachers a general idea of current ability level. Students will be asked to play a prepared piece and a scale of their choice.

Concert

Family and friends are invited to enjoy the final concert on Saturday afternoon at 4 PM.
