Dear CASTA, Inc. Members:

Greetings! My sabbatical has given me some much needed time to (try to) get caught up on professional reading. I'd encourage all members to make a 'new year's pledge' to try one teaching tip from a recent *American String Teacher* journal. I think you'll find that this journal is filled with a wealth of ideas and can help us all continue to grow in our teaching and learning.

Of course, another key opportunity for professional growth is the 2007 CMEA Clinic and Conference, January 18-20. This year I am especially excited to be able to watch the Turtle Island String Quartet perform and give a clinic with high school students. I've seen this group work with students. It's a must see! Also, Bob Phillips' sessions will be wonderful. I especially encourage early career teachers to attend his clinic on recruiting as you'll pick up save valuable ideas for how to grow your orchestra program.

I look forward to seeing you in January at the Broadmoor!

Margaret Berg
